

LYON-LINCOLN ELECTRIC COOPERATIVE, INC.  
TYLER, MINNESOTA 56178

RETAIL RATE SCHEDULE #3  
COMMERCIAL AND INDUSTRIAL OVER 50Kva  
SINGLE OR MULTIPHASE

AVAILABILITY:

Available to users having large power requirements with low coincidental demand factors. Users of this rate are subject to acceptance by the Board of Directors.

TYPE OF SERVICE:

Alternating current at available secondary voltage. Non-Standard service voltages may require a separate contractual arrangement to protect the Cooperative from loss due to purchase of non-standard equipment.

RATE:

This rate is composed of an energy charge, a demand charge and a monthly customer charge.

Energy Charge:

All KWH per year @ 8.5¢/KWH

Demand Charge (Non-coincidental):

\$10.25 per KW of maximum month demand

Customer Charge:

\$100.00 per month

Rate Effective January 1, 2026

Board Approved December 22, 2025
